ABOUT US

So what can we tell you about ourselves?

Let's see...

We could start by saying that we make the finest suits and shirts from hand-picked cloths sourced from all over the world.

Or we could say we are all about providing the ultimate in customer experience and satisfaction.

We might even mention that each tailor made garment is custom designed, precisely made-to-measure and is guaranteed to fit you perfectly.

And we could continue to toot our own horn for a few more lines.
But we won't bore you with all that.

Our mission, our vision, our ethos, our code – what we are really about, is making sure that you look damn good.

So relax. Have a drink. And wear that confident smirk - knowing that you're going to look damn good in your next Montagio suit or shirt, tailor made just for you.

BUSINESS SUITS

Every impression counts. Especially the first one.

Like it or not, those around you judge you based on how you look.

So be confident knowing you'll look damn good in a custom tailored business suit by Montagio – quite purposely styled for your success, and perfectly fitted to impress.

Corporate and group deals available.

Following is a small selection of our designs.

Almost any look or style is possible.

Always perfectly fitted.

BUSINESS SUITS

Make a statement at work with this solid mid-blue wool suit, with its streamlined slim 2" width notch lapel & angled flap pockets. A patterned tie & tan shoes really bring out the colour.

The herringbone weave adds character to this mid-grey wool suit. Peak lapels & angled pockets add to that character to give a subtle but stealthily different look.

BUSINESS SUITS

Nothing says 'business' like a navy-blue pinstripe suit. The perfect suit for more conservative workplaces, it doesn't offend with its standard 3" width notch lapel & straight flap pockets.

Exude irreverence & confidence with a sly nod to the underbelly in this mid-grey wool suit with a bold light-grey pinstripe. The look is streamlined with a peak lapel & angled pockets.

BUSINESS SUITS

Waistcoats can really make a statement. This light-grey 3-piece wool suit with an edgy slim notch lapel & slim angled pockets is a paradox of modern yet classy.

This dark navy 3-piece wool suit has a subtle texture of self-patterned lines running through it. The standard notch lapel & straight pocket make it a safe bet for any conservative work place.

BUSINESS SUITS

The window-pane pattern makes this charcoal suit more interesting. Pair with some dark brown boots & dark brown belt to create an appropriately business yet laid back look.

The light grey birds-eye pattern fabric compliments the aloofness of the deeper cut one button jacket with patch pockets. Ideal for less conservative workplaces, where creativity is rewarded.

BUSINESS SUITS

This electric blue sharkskin fabric has a subtle gloss, and is a fashion forward take on the modern man's business suit. The slim notch lapel & slim angled pockets enhance the sleek modern look.

The peak lapel & angled pockets create a streamlined silhouette for this textured charcoal suit. Pick stitching around the lapel & pocket flaps add subtle detail to complete the look.

SHIRTS

What separates an average shirt from an exceptional one?

It's the rare trifecta of neck size, sleeve length and fit that few ever achieve. The right colour and fabric are vital too, but that's not a problem when you get your next shirt tailor made by Montagio.

With our vast array of hand-picked fabrics, you'll find exactly what you want – expertly fitted and styled for business, formal, or more casual affairs.

Following is a small selection of our designs.

Almost any look or style is possible.

Always perfectly fitted.

BUSINESS SHIRTS

Everyone needs a crisp white shirt – it's the perfect blank canvas.

Colour: White **Pattern:** Solid
Collar: Spread **Cuffs:** French

Blue herringbone – another classic business staple.

Colour: Blue **Pattern:** Narrow Herringbone
Collar: Cutaway **Cuffs:** French

The texture adds character, but still plain enough to wear a patterned tie on.

Colour: Sky Blue **Pattern:** Textured
Collar: Spread **Cuffs:** Adjustable 2-Button

Pink is most women's favourite colour, that's why Women love Men in pink.

Colour: Pink **Pattern:** Herringbone
Collar: Spread **Cuffs:** French

BUSINESS SHIRTS

A spin on pinstriped banker shirts.
Colour: Mauve, contrast white collar & cuffs **Pattern:** Herringbone **Collar:** Spread **Cuffs:** Adjustable 2-Button

The business shirt with a casual spin, for a laid back look.
Colour: Pink & white **Pattern:** Gingham check **Collar:** Spread **Cuffs:** French

Great to wear under a solid suit & a solid or subtle pattern tie.
Colour: Blue & white **Pattern:** Stripe **Collar:** Cutaway **Cuffs:** French

The informal button-down collar can be applied to a business shirt.
Colour: Sky **Pattern:** Herringbone **Collar:** Button-down **Cuffs:** Adjustable 2-Button

BUSINESS SHIRTS

When the occasion isn't too formal,
but you still want to impress.

Colour: Camel, Navy **Pattern:** Multi-Check

Collar: Button-down

Cuffs: Adjustable 2-Button

Can also be worn without a tie & sleeves
rolled up on summer days.

Colour: Sky, Yellow **Pattern:** Multi-Check

Collar: Button-down

Cuffs: Adjustable 2-Button

Can double up as a business shirt
or smart casual.

Colour: Navy **Pattern:** Gingham

Collar: Button-down **Cuffs:** Adjustable 2-Button

WEDDINGS
&
FORMAL

*No doubt she will look amazing. But why should your
bride be the only one?*

It's your big day too.

Sorry, no rent-a-suits here.

While others shy away, you can be the man of the moment. Go all out.
Be her Knight in Shining Armour, her James Bond, her Romeo.

Sweep her off her feet in an ultra-sharp wedding suit or tuxedo, custom designed and
precisely tailor made just for you by Montagio.

Groomsmen deals available.

Following is a small selection of our designs.

Almost any look or style is possible.

Always perfectly fitted.

WEDDINGS & FORMAL

The quintessential classic black tux defined by black satin covering on the peak lapel, buttons & breast pocket, with black satin trim on the lower pockets.

A variation of the classic tux with dark navy fabric & dark navy satin trims – for when you don't want to look 'black tie'.

WEDDINGS & FORMAL

For when you don't want to be too loud, this dark navy tux has black satin trim around the edge of the notch lapel & trim across the top edges of the breast pocket & lower pockets.

Nothing says formal like a black 3-piece suit with black satin trim on the edge of the lapel, & satin highlights throughout. The waistcoat has similar satin trimmings to unify the look.

WEDDINGS & FORMAL

After the wedding, hit the casino with this Bond style one-button black tux with black satin trims, besom pockets & a curved shawl lapel.

A midnight navy variant of the one-button shawl lapel tux with navy satin trims, for when you're feeling blue, but in a good way.

WEDDINGS & FORMAL

This light blue one-button jacket is contrasted with dark navy trousers. It's all tied together by dark navy satin trims throughout & piping around the edge of the notch lapel.

A black & white variant of the one-button shawl lapel tux, the white jacket is paired with black trousers to create a contrast, & black satin trims on the jacket tie the whole look together.

WEDDINGS & FORMAL

This eye-catching look is a combination of a black & white houndstooth jacket contrasted against a black waistcoat & trousers. Pair with some black velvet tassel loafers without socks.

Another variant of the classic black tux, the grey peak lapel jacket is contrasted against black trousers. The black satin trims also contrast against the grey wool & tie everything together.

WEDDINGS & FORMAL

The navy jacket & trousers are contrasted with the light grey waistcoat inside to produce a fresh wedding look.

Something different for the bolder, fashion forward groom – a black velvet jacket paired with matching black velvet tassel loafers, & a contrast houndstooth pattern trouser.

WEDDINGS & FORMAL

For slightly more casual affairs, a 3-piece linen sand coloured suit is perfect – especially for outdoor weddings.

To really make a statement, try this white linen one-button suit with a shawl lapel. Great for a destination wedding in the Greek Islands, for example.

WEDDINGS & FORMAL

The light-grey waistcoat & trouser look is great for weddings that are to be held in hotter climates & are more casual themed. This look is also an option for groomsmen.

For more casual affairs such as beach weddings, this linen waistcoat & rolled up trousers is a great look. Rolled up shirt sleeves & open shirt buttons really complete this casual wedding look.

SMART CASUAL & RACES

We all love a bit of a punt, but why gamble with your style?

When it comes to men's smart casual suiting it never pays
to look like you're going to work.

Whether it is for the races, garden weddings or even if you're trying to nail
the Miami Vice look (we won't ask why), Montagio can create
a smart casual look that's perfectly tailored to beat the odds.

Following is a small selection of our designs.

Almost any look or style is possible.

Always perfectly fitted.

SMART CASUAL & RACES

Be different with a khaki birds-eye pattern suit for the races, the khaki colour hints at a laid back casual attitude.

This black & white houndstooth suit is another unique look for the races – definitely a standout from block colours.

SMART CASUAL & RACES

The light-grey fabric with slight cross-hatch paired with a sky-blue shirt & navy tie has an immediate impact.

The beige-grey suit is another crowd dazzler, & perfect for race day.

SMART CASUAL & RACES

This 2-piece electric blue sharkskin suit has a subtle gloss, & will definitely catch attention – especially when paired with tan shoes & belt.

Wear just the jacket on different coloured pants to create an even more casual look.

SMART CASUAL & RACES

Pair blue sharkskin pants with a white jacket to create another unique look that is sure to stand out.

This light blue linen jacket will brighten up the day – pair with darker or lighter pants for another contrast look.

SMART CASUAL & RACES

Nothing says smart casual like a nice checkered sports jacket paired with solid colour trousers (navy, beige, or cream will do).

Try another variation by wearing the jacket with a navy waistcoat & white trousers.

SMART CASUAL & RACES

For days when it's just that little bit warmer, leave the jacket at home & keep the waistcoat.

Light-grey & navy always go well together, so try mixing & matching.

SMART CASUAL & RACES

For that intellectual academic smart-casual look – another mix & match with the charcoal checked jacket paired with khaki birds-eye pattern trousers.

Be daring & go all light-blue! If ever there was a statement suit – this is it. Some men may cringe, but rest assured the ladies will be eyeing that confident gent in the light-blue suit.

SMART CASUAL & RACES

The 2-piece sand coloured linen suit is a great look for the races, again something different to the stock standard.

Wear the jacket as a separate on darker trousers for other smart casual events.

SMART CASUAL & RACES

This one button suit with patch pockets in a light grey birds-eye fabric is a perfect blend of smart casual yet it is versatile enough to wear even at less conservative workplaces.

Try the same jacket on a pair of black trousers to make it slightly more formal, but still have that smart casual feel.
